

**Daydreamer Productions is interested in
presenting WORLD OF COLOR for you!**

What Is World of Color?

World of Color is an outdoor, 30-minute nighttime spectacular. This show features live musical performances in one thrilling evening extravaganza. The show is suitable for all kinds of stages. As unforgettable scenes from family-favorite Disney and Disney•Pixar animated and live-action movies are depicted live, you'll be inspired to reminisce about romances, look back at past friendships and relive remarkable adventures.

The World of Color show—the most impressive and fanciful nighttime extravaganza Daydreamer Productions has ever produced—is accompanied by momentous music, and also includes fantastic LED lights, steam, bubbles, strobe lighting, fog and laser effects.

World of Color Is Big!

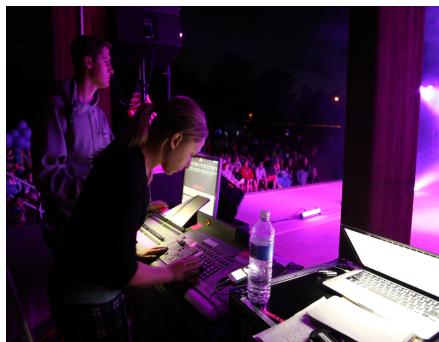

To create the breathtaking spectacle, over 30 full-sized LED stage lights, fog, and other special effects are synchronized to music. Watch as performers dance and lighting effects explode!

Be wowed at how all the elements are woven into a kaleidoscope of imagination. Be awed as this sensational show sweeps and expands across the stage. And be carried away by the soaring soundtrack that spans decades of Disney movies—from classics to the most recent releases.

Exciting Updates and a New Show

On occasion, updates and changes are made to the World of Color show to include songs of popular characters from current movies, like the Disney blockbuster film *Frozen*.

How World Of Color Can Be Useful

World Of Color can be used as a more economic replacement for fireworks for any townships recreation programs. World Of Color is the perfect ending to an adventure filled day. This show can also act as an event in itself and attract audiences from everywhere. With raw emotion and power behind the special effects, this spectacle will be the talk of the town for years to come!

A Review From The American Cancer Society

Diana Dozois

Entertainment Chair, American Cancer Society

The last production of “World of Color” this past May 31st at Veterans Park in Berkeley Township, NJ was just the ULTIMATE in productions, and enjoyed by hundreds of visitors. The conception, the visual effects, the talent and execution were of the caliber of a Broadway production.
